## FROM MAREN WITH LOVE

Happy Holidays Everyone! This time of year is a time of reevaluation and change. How do you want to end this year and begin 2006? Do you want to continue holding onto old ways of thinking, being or behaving? Is it time to clear certain things out of your life and begin anew?

There is a source of information that can be tapped into and utilized to help support you in deciding what needs to go and what should stay. It can even help you to know how to go about this process easily, effectively and quickly. There are a couple of catches. It would mean getting out of your own way and to not force the process. It would also mean giving up the idea change has to be difficult.

Take a few minutes and close your eyes. Visualize you as a future self standing in front of you now. This is a much wiser, loving and more integrated aspect of you. They have already been through what you are about to go through in your life. Ask them what would best support you to move through this time and how to go about it. Trust the messages you receive even if you think you're making them up. You have the answers inside you and know better than anyone what you truly need. Write it down so that you can reference the answers. You can do this any time, any where. It only takes a few minutes and no one needs to know.

Blessings to all of you in the New Year.

## PRIVATE SESSIONS (BY APPOINTMENT ONLY)

### LIFE BREATHING SESSIONS

The Breath is a powerful tool to use for clearing negative toxic energy caused from anesthesia, drugs and suppressed emotions held within the body which blocks our Life Force.

Maren combines the power of the Breath with visualizations such as: inner child work, gestalt, reframing, along with energy work, to rapidly assist you in freeing up and rechanneling this energy to re-awaken to the Source of Life and Love within yourself. Allowing you to create what you truly desire.

### LIFE READINGS AND CONSULTATIONS

Maren blends her intuitive abilities along with years of metaphysical study to share practical information to help you create more success, balance and love in your life.

## THE GAME OF LIFE WORKSHOP

### Is Your Game supporting Your Life...

We are all born in this life with no instruction manual to follow, not knowing how to play this game called life. How would you like to check back with the designer and learn the rules of the game?

More than half our communications are unspoken and delivered on the feeling tone, which opens up the left (Analytical) brain and the right (Creative) brain. When you tap into the full potential of both hemispheres of your brain, you communicate more effectively.

The Game was created by Marshall Thurber, Buckminster Fuller and Werner Erhard; all forerunners of personal growth programs and considered by many to be geniuses of our time.

Players are instructed to portray four empowering words from the feeling tone through team support, individuals break through barriers that prevent more healthy communications, better relations and abundance.

### What you will receive from The Game of Life

- Turn fear into power.
- Improve and enhance intimate and business relations by learning to communicate more effectively
- Through team interaction and support you will recognize and release old patterns that prevent you from experiencing life joyfully and fully.
- Learn how to heal childhood wounds to bring that energy and focus into the present to create what you want.
- Take control of your life through conscious awareness and self confidence.
- Life Breathing (Connected Breathing) group sessions release blocked energy and integrates the whole experience at a cellular level.
